"By the end of this year we will have doubled our business since our Creative Thinking session with you, and we are 60% of the way to the goal. It's almost time to raise the bar."

- Dan Weare, National Business Manager
Sears Canada, Inc.

Lynda Curtin works with proactive leaders who depend on their teams to be able to work together quickly to develop powerful new business ideas, while conserving precious resources. She understands competitive pressure, and the stress associated with delivering bottom-line results. She has been there. As Product Manager of Canada's #1 selling brand of major appliances, Lynda helped deliver sales exceeding \$100 million, breaking all profit records.

Lynda is highly regarded by clients for her talent at helping teams think "out-of-the-box" to develop profitable business solutions. They love her practical approach.
